

Cowboys & Indians Oct. 2001

Al Frisch and Larry Zeug of Hollywood Guns and Props presented Jack Palance with an exact duplicate of the gunfighter rig and six-shooters he wore in *Shane*. The six-shooters were donated by American Western Arms of Delray Beach, Florida.

A CODY PALANCE TRIBUTE

The 2nd Annual Cody Palance Memorial Golf Classic was held in Boomtown at the Stallion Springs Resort in Tehachapi, CA. 144 golfers vied for cowboy boot trophies and over 500 guests bellied up to the chow line for authentic Western vittles. The evening's activities included a Wild West show, live and silent auctions, a benefit drawing, and Western dance instruction by Katha Black. Jack Palance, who lost his son Cody to cancer, was pleased to write Children's Hospital a check for \$60,000—double last year's donation. The money supports the study and research of lethal cancers that arise in developing babies.
